

FRANKLIN COUNTY  
**Water System**

**WATER AND SEWER RATE SCHEDULE AND CONNECTION FEES**

Water service is billed utilizing a monthly base rate and a water consumption rate. The monthly base rate provides for the first 2,000 gallons. Additional consumption will be charged based on customer classification and usage fees. (see tables below)

**Connection Fees and Monthly Base Rates**

Connection fees and monthly base rates are determined by meter size. Fees are listed in the table below.

Meter Size	Connection Fee	Monthly Base Rate
¾"	750.00	\$ 21.00
1"	1,000.00	\$ 39.00
1 ½"	QUOTE	\$ 84.00
2"	QUOTE	\$150.00
3"	QUOTE	\$336.00
4"	QUOTE	\$600.00

Additional connection fees may apply to 1 ½ " or larger meters based on site specific issues and vault requirements. Any service request for a 1 ½ " or larger meter will be reviewed to determine the cost of installation and must be approved by the Water Superintendent and Engineer.

## **Sewer Rates**

Sewer service is billed based on water consumption. Sewer service will include a base rate. Sewer readings over 2,000 gallons will be billed at \$5.00 per 1,000 gallons.

## **Billing Cycle and Payment Options**

You will receive your first bill approximately 4 to 6 weeks after the meter is installed by the Franklin County Water System. Water bills are mailed on or near the 25<sup>th</sup> of each month. Full payment is due by the 10<sup>th</sup> of the following month. A 10% penalty will be assessed on the balance on the 11<sup>th</sup> of the month if payment has not been received.

Automatic bank draft is available upon request.

If a customer requests the water service to be disconnected, a reconnection fee of \$50.00 will be charged prior to reconnection.

## **Line Extension Policy**

The following minimum rates shall apply to lines installed under the County Line Extension Policy:  
\$3.00/LF for 6-inch line extensions  
\$5.00/LF for 8-inch line extensions
